Standing Conference of Public Enterprises

celebrate

Saturday 10th April, 2010

"India has weathered the slow down better than most other countries. Ours today happens to be the second fastest growing economy in the world. This is a reflection in large measure, of the strengths of the Indian Economy, one of which is a robust and reliable public sector. I hope our Public Sector Enterprises will continue to play a very significant role in the processes of nation building, as they have been doing all these years."

Dr. Manmohan Singh
