

Addendum no. 1 dtd 15.04.2020

Page no. 1 - NIT second bullet point may be read as -

- Bids are invited only from
 - Producers whose name appears in the IFA publication of Survey of Urea Capacities or as reflected in the website www.fertilizer.org. Producers should have a production capacity of minimum 2.0 Million MT of Fertilizer grade urea per year.
 - Bids are invited from producers/manufacturers only and not from traders. Only Those producers/manufacturers of Urea who do not sell directly and have the exclusive marketing arm to sell all their products in the world market can submit their bid through the exclusive marketing arm. The producer/manufacturer in the letter of authority in the favour of Exclusive marketing arm for the Indian Market should confirm that
 - The producer/manufacturer does not sell Urea directly and sells only through the exclusive marketing arm and
 - The exclusive marketing arm only sells Urea manufactured by the producer/manufacturer and does not represent or sell the product of any other producer/manufacturer.
