Section 3 – Disqualification from auction process and exclusion from future contracts.

If the Buyer(s)/Vendor(s)/Bidder(s), before award of contract, has committed a serious transgression through a violation of Section 2 above or in any other form such as to put his reliability or credibility as buyer/vendor/bidder into question, MMTC is entitled to disqualify the Buyer(s)/Vendor(s)/Bidder(s) from the tender/auction/e-auction/e-sale/sale/purchase process or to terminate the contract, if already signed, for such reason.

- a) If the Buyer(s)/Vendor(s)/Bidder(s) has committed a serious transgression through a violation of Section 2 above or in any other form such as to put his reliability or credibility as buyer/vendor/bidder into question, MMTC is entitled to also exclude the Buyer(s)/Vendor(s)/Bidder(s) from the future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressors within the company, hierarchy of the buyer and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.
- b) If the Buyer(s) /Vendor(s)/Bidder(s) can prove that he has restored/recouped the damage caused by him and has installed a suitable corruption prevention system, MMTC may at its sole discretion revoke the exclusion prematurely.
- c) A transgression is considered to have occurred if in light of available evidence, no reasonable doubt is possible.

Section 4 – Compensation for Damages

1. If MMTC has disqualified the Buyer(s) from the tender/auction/e-auction/e-sale/sale/purchase process prior to the award according to Section 3, MMTC is entitled to demand and recover the damages equivalent to Earnest Money Deposit/Bid Security.
2. If MMTC has terminated the contract according to Section 3, or if MMTC is entitled to terminate the contract according to Section 3, MMTC shall be entitled to demand and recover from the Vendor liquidated damages equivalent to 5% of the Contract value or the amount equivalent to EMD whichever is higher.
3. If the Buyer(s) /Vendor(s)/Bidder(s) can prove that the exclusion of the Buyer(s) /Vendor(s)/Bidder(s) from the tender/auction/e-auction/e-sale/sale/purchase process or the termination of the contract after the contract award has caused no damage or less damage than the amount of liquidated damages, the Buyer(s) /Vendor(s)/Bidder(s) may compensate only the damage in the amount proved. If MMTC can prove that the amount of the damage caused by the disqualification of the Buyer(s)/Vendor(s)/Bidder(s) before Contract Award or the termination of the Contract after the Contract Award is higher than the amount of the liquidated damages, it is entitled to claim compensation for the higher amount of the damages.

Section 5 – Previous transgression

1. The Buyer(s)/Vendor(s)/Bidder(s) to declare that no previous transgressions occurred in the last 3 years with any other Company in any country conforming to the anti-corruption approach or with any other Public Sector Enterprise in India that could justify his exclusion from the auction process.
2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the auction process or the contract, if already awarded and can be terminated for such reason.

Section 6 – Equal treatment of all Buyer(s) /Vendor(s)/Bidder(s)

1. MMTC will enter into agreements with identical conditions as this one with all Buyer(s) /Vendor(s)/Bidder(s) without any exception.
2. MMTC will disqualify from the auction process all Buyer(s)/Vendor(s)/Bidder(s) who do not sign this Pact or violate its provisions.

Section 7 – Criminal charges against violating Buyer(s)/Vendor(s)/Bidder(s)

If MMTC obtains knowledge of conduct of Buyer(s)/Vendor(s)/Bidder(s) or of an employee or a representative or an associate of Buyer(s)/Vendor(s)/Bidder(s), which constitutes corruption, or if MMTC has substantive suspicion in this regard, MMTC will inform the same to its Chief Vigilance Officer and/or appropriate Govt. authorities such as CBI.

Section 8 – Independent External Monitor(s)

1. MMTC appoints competent and credible Independent External Monitor (IEM) for this Pact. The task of the IEM is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
2. The IEM is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the CMD, MMTC.
3. The IEM has the right to access without restriction to all trade/project related documentation of MMTC. The Buyer(s)/Vendor(s)/Bidder(s) will also grant the IEM, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his trade/project documentation. The IEM is under contractual obligation to treat the information and documents of the Buyer(s)/Vendor(s)/Bidder(s) with confidentiality.
4. MMTC will provide the IEM sufficient information about all meetings among the parties related to the project/contract provided as meetings could have an impact on the contractual relations between MMTC and the vendor. The parties offer to the IEM the option to participate in such meetings.
5. As soon as the IEM notices, or believes to notice, a violation of this agreement, he will so inform the Management of MMTC and request the Management to discontinue or take corrective action, or to take other relevant action. The IEM can in this regard submit NON-BINDING RECOMMENDATIONS. Beyond this, the IEM has not right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
6. The IEM will submit a written report to the CMD, MMTC within 4 to 6 weeks from the date of reference or intimation to him by MMTC and, should the occasion arise, submit proposals for correcting problematic situations.
7. The IEM will submit a written report to the CMD, MMTC and, should the occasion arise, submit proposals for correcting problematic situations.

7. If the IEM has reported to the CMD, MMTC, a substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the CMD, MMTC, has not, within the reasonable time taken visible action to proceed against such offence or reported it to its Chief Vigilance Officer, the IEM may also transmit this information directly to the Central Vigilance Commissioner, Govt. of India.
8. The word “**IEM**” would include both singular and plural.

Section 9 – Pact Duration

1. This Pact begins when both parties have legally signed it. It expires for the Vendor 12 months after the last payment under the contract, and for all other Bidders, 6 months after the Contract has been awarded.
2. If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by CMD, MMTC.
